CHAIRPERSON'S COMMENTS

Dr. Ward-Gravely

- The Board has been working diligently since the last board meeting on a number of issues.
- The Chairperson welcomed the return of public member Mr. Good and Board member Mrs. Zurlinden.
- The Executive Director and the Assistant Attorney General will provide more information during their reports.

EXECUTIVE DIRECTOR'S REPORT

Mr. Thornton submitted an updated written report of significant activities occurring since the last Board meeting. He provided updates regarding:

- State budget and proposed budget cuts;
- A newspaper article about state travel restrictions;
- Student permit amendment and Ohio Department Education (ODE) proposal;
- Implementation of the cost saving days for office personnel;
- Final audit management letter and exit conference scheduled for the August board meeting;
- Ethics Training Plan within the office;
- Two Board member openings September of 2009;
- An invitation to the Ohio Speech-Language-Hearing Association meeting June 24, 2009;
- Completion of various projects – i.e. rules review, office Policy and Procedure Manual, updating the website;

EXECUTIVE SESSION**Motion #3**

Mr. Porter moved to enter Executive Session to confer with the Attorney General's Representative for legal advice on matters of possible and pending or imminent court action pursuant to Section 121.22(G)(3), of the Ohio Revised Code. Dr. Kukula seconded the motion, which passed by roll call vote as follows:

Dr. Levenfus: yes; Ms. Embry: yes; Mr. Good: yes; Dr. Kukula: yes; Ms. Leppla: yes; Mr. Porter: yes; Mrs. Zurlinden: yes; Dr. Ward-Gravelly: yes.

The Board went into Executive Session at 10:02 A.M. The Board invited Mr. Thornton to remain in attendance.

The Board returned to Public Session at 11:25 A.M.

Motion #4

Dr. Kukula moved to provide the Ohio Department of Education (ODE) a letter of intent to accept Ohio Administrative Code sections 4753-10-02, 4753-10-03 and 4753-10-04 as amended and proposed by Mr. Louis Staffilino of the ODE submitted to Mr. Thornton on Thursday, June 11, 2009. Mr. Porter seconded the motion, and discussion followed.

Board Discussion on Motion #4:

- The Board has the fiduciary responsibility to protect consumers and students pursuant to Ohio Revised Code Chapter 4753.
- The proposed rules give Universities responsibility over the supervision of student permit holders; however, the Board would still have the responsibility to ensure that supervision is occurring under the Board supervision rule.
- The proposed rules eliminate the submission of a detailed student permit plan.
- The Board is open to allowing a twelve to eighteen month grace period to allow the program to move forward while ODE recruits supervisors.
- If the ODE assumes responsibility over the student permit program, the issue of minimum student supervision will still not be resolved.
- The current rules in place addressing student supervision were drafted under collaborative processes involving the ODE, Ohio Master's Network Initiatives in Education (OMNIE), the Ohio Speech and Hearing Association and at least two current Board members who were on the Board's Rules Committee. After much discussion and word-smithing, all involved agreed to the current standard as providing the minimum amount of supervision necessary for student interns.
- The proposed rules do not allow the Board to maintain over site of minimum supervision when the student permit holder is providing treatment and diagnostic services to students during the time those hours are being counted for credit towards the clinical experience by the American Speech-Language-Hearing Association.
- While The Board does not support the ODE proposed changes, the Board is open to reaching a compromise with the ODE to facilitate their amendment proposing to move licensure of student permit holders from this Board over to the ODE.
- The shortage of speech pathologists in settings other than the schools will not be met by moving the student intern program to ODE.

- The Board views the underlying issue as a lack of supervisors to provide the supervision, not the amount of supervision required. The Board understands that while the ODE has attempted to recruit supervisors, the offer of free continuing education without further compensation to supervisors has been inadequate of an offer to a group of individuals currently dealing with caseloads that exceed the state mandated limit.
- The amount of supervision currently required of student interns is consistent with the amount of supervision required for traditional speech language pathology students.
- The Board expressed concern that they were not given sufficient time to respond to the language submitted to the board office on the previous day. Of particular concern was that due to the significance of the potential impact of this language on consumers of speech-language pathology services in the public schools, more time was needed to thoroughly review the proposed changes to Chapter 4753 of the Ohio Administrative Code.

The motion on the floor being Motion #4 was defeated by unanimous roll call vote:
Dr. Levenfus: no; Ms. Embry: no; Mr. Good: no; Dr. Kukula: no; Ms. Leppla: no; Mr. Porter: no; Mrs. Zurlinden: no; Dr. Ward-Gravelly: no.

Motion #5

Ms. Leppla moved to enter executive session to confer with the Attorney General's Representative for legal advice concerning the ramifications of the H.B.1 amendment and matters of possible and pending or imminent court action pursuant to Section 121.22(G)(3), of the Ohio Revised Code.

Dr. Levenfus: yes; Ms. Embry: yes; Mr. Good: yes; Dr. Kukula: yes; Ms. Leppla: yes; Mr. Porter: yes; Mrs. Zurlinden: yes; Dr. Ward-Gravelly: yes.

The Board went into Executive Session at 11:54 A.M. The Board invited Mr. Thornton to remain in attendance.

The Board returned to Public Session at 12:12 P.M.

Motion #6

Ms. Embry moved to enable the Executive Director to respond to H.B.1 Amendment to appropriate and involved parties. Ms. Leppla seconded the motion, which passed by roll call vote as follows:

Dr. Levenfus: yes; Ms. Embry: yes; Mr. Good: yes; Dr. Kukula: yes; Ms. Leppla: yes; Mr. Porter: yes; Mrs. Zurlinden: yes; Dr. Ward-Gravelly: yes.

The Board went into Executive Session at 12:13 P.M. The Board invited Mr. Thornton to remain in attendance.

The Board returned to Public Session at 12:14 P.M.

EXECUTIVE SESSION - Personnel Matters

Motion #7

Dr. Levenfus moved to enter Executive Session for the purpose of considering the appointment, employment, dismissal, promotion, demotion or compensation of a public employee pursuant to Section 121.22(G)(1) of the Ohio Revised Code. Mrs. Zurlinden seconded the motion, which passed by roll call vote as follows:

Dr. Levenfus: yes; Ms. Embry: yes; Mr. Good: yes; Dr. Kukula: yes; Ms. Leppla: yes; Mr. Porter: yes; Mrs. Zurlinden: yes; Dr. Ward-Gravely: yes.

The Board went into Executive Session at 12:15 P.M. Mr. Thornton was asked to leave the room. He was invited to re-enter Executive Session at 12:20 P.M.

The Board recessed for lunch at 12:55 p.m.

The Board returned to Public Session at 1:24 P.M.

ASSISTANT ATTORNEY GENERAL'S REPORT

Assistant Attorney General Melissa L. Wilburn, Esq., indicated that a majority of her time has been spent addressing the legal ramifications of the student permit issue.

CORRESPONDENCE

The Board discussed the following correspondence received from Robert G. Glaser, Au.D., regarding the Board's decision to close case number 2009-24 related to the use of the term Audioprosthologist by a hearing aid dealer.

The Board discussed the history of the term Audiologist being used by hearing aid dealers. An Attorney General's opinion was issued on August 21, 1986, advising that the use of the term "Audiologist" is considered part of the practice of audiology.

The Assistant Attorney General discussed the legal considerations that contributed to closing case 2009-24 without further action. She also discussed the likelihood of the Board incurring attorney's fees. The Board discussed the option to obtain a formal opinion from the Attorney General's Office addressing the Audioprosthologist issue.

Motion #8

Dr. Kukula moved to re-open case number 2009-24 that was closed on 5/1/2009. Mrs. Zurlinden seconded the motion. The motion passed unanimously. Dr. Ward-Gravely and Dr. Levenfus abstained since they are on the Investigative Review Group Committee.

Motion #9

Dr. Kukula moved to seek a formal opinion from the Attorney General's Office regarding the use of the term Audioprosthologist and/or similar terms or titles related to Audiology. Mr. Good seconded the motion. The motion passed unanimously.

The Board discussed the following correspondences and directed Mr. Thornton to respond accordingly:

- A. Robert G. Glaser, Au.D. (E-mail) – Audioprosthologist
 - o The Executive Director is to respond that the Board will seek a formal opinion from the Attorney General’s Office on the use of the term Audioprosthologist and/or similar terms or titles related to Audiology.
 - o Case number 2009-24 was re-opened pending the formal opinion.

- B. Laurie Nastas (E-mail) – Sales Tax Exemption for Hearing Aids
 - o The Executive Director is to respond that certain sales tax exemptions exist for hearing aids. The Board reviewed a proposed response which cited specific statutes allowing exemptions of hearing aids and directed the Executive Director to respond accordingly.

INVESTIGATIONS

A. Executive Session

Motion #10

Ms. Embry moved to enter Executive Session for the purpose of discussing proposed disciplinary action against licensees, involving pending or imminent court action under R.C. §121.22.(G)(3), and which requires that such matters be kept confidential under R.C. §149.43.(A)(2). Mr. Porter seconded the motion, which passed by roll call vote as follows: Dr. Levenfus: yes; Ms. Embry: yes; Mr. Good: yes; Dr. Kukula: yes; Ms. Leppla: yes; Mr. Porter: yes; Mrs. Zurlinden: yes; Dr. Ward-Gravely: yes.

The Board went into Executive Session at 2:25 P.M. and invited the Board staff to remain in attendance.

The Board returned to Public Session at 3:38 P.M.

B. Board Actions

2008-08

This case involves a speech-language pathologist who has had their teaching certificate suspended for three years through a Consent Agreement with the Ohio Department of Education (ODE). The Consent Agreement was executed on February 24, 2009, in a county municipal court, based on a 2008 criminal conviction for one misdemeanor count of attempted furnishing. The Investigator confirmed with the county court records that the conviction date was 8/20/2008 for 2nd degree misdemeanor. The Respondent renewed his/her speech-language pathology license with this Board on October 20, 2008 correctly answering “No” on his/her 2009-2010 renewal application to “Have you been convicted of a felony since the last renewal?” However, the Respondent failed to notify the Board that he/she was disciplined by another board in this state.

Accordingly, the Investigation Review Group recommends in case 2008-08 to issue a 119 Notice of Opportunity for Hearing citing the following violations and authorizing the Assistant Attorney General to negotiate a Consent Agreement to include a suspension of three years:

- 1. 4753.10 (M) - Disciplinary Action (Violating this chapter or any lawful order given or rule adopted by the Board);**
- 2. 4753-9-01 (A)(10), (B)(1)(a),(c)(iii) – (A) Preamble: Licensees shall hold tantamount the health and welfare of person(s) served.(10) Licensees shall report to the board any violation of the board rules or any breach of the code of ethics that he/she is aware of. (c) Licensees shall maintain a professional relationship with the board.(iii) The denial or revocation of licensure in another state, or from another board in this state, may result in denial or revocation of licensure by the board.(B) Fundamental rules considered essential. Violation of the code of ethics shall be considered unprofessional conduct.(1) Licensees shall maintain professional behavior.(a) Licensees shall not engage in dishonesty, fraud, deceit, misrepresentation, or illegal conduct that adversely reflects on the profession or the individual.**

Motion #11

Dr. Kukula moved to accept the Investigation Review Group's recommendations in case 2008-08. Ms. Leppla seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

2008-32

This case involves a printed advertisement stating that a company that sells digital hearing aids offers "free thorough audiological evaluations" yet the Initiator (an audiologist) believes there is not a licensed audiologist on staff. The investigation revealed that there is not an audiologist on staff for the company but the company's manufacturer has an audiologist on staff. *Hearing Specialists*, licensed by the Ohio Hearing Aid Dealers and Fitters Licensing Board, perform the free thorough evaluations.

Accordingly, the Investigation Review Group recommends the following in case 2008-32:

- **Issue a Cease & Desist explaining that audiological evaluations must be performed by a licensed audiologist, 4753.02, 4753.01 (D)(G).**
- **Because Hearing Specialists are licensed by the Hearing Aid Dealers and Fitters Licensing Board, this complaint will be referred to that board.**

Motion #12

Dr. Kukula moved to accept the Investigation Review Group's recommendations in case 2008-32. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

Case 2009-13

This case involves alleged *unethical practice* by an audiologist employed with a hearing aid and audiology center. The Initiator, an audiologist, complained that a printed advertisement is misleading stating "Doctor of Audiology on staff" rather than also including the audiologists' name. The initiator also believes the audiologist may be unlicensed based on a search of the business name in early November 2008 by the Initiator through E-licensing on this Board's website. The search did not produce an active licensee name. The Respondent is in fact licensed by this Board but at the time of the Initiator's search, the Respondent worked in a different state under a different business name while still maintaining a license in Ohio.

Accordingly, the Investigative Review Group recommends closing case 2009-13.

Motion #13

Mrs. Zurlinden moved to accept the Investigation Review Group's recommendations in case 2009-13. Mr. Porter seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

2009-14

This case involves two audiologists allegedly being less than proficient in the area of treatment they provided to a patient. The Initiator claims that after having many adjustments to his/her hearing aid device by the audiologists over the course of three years, his/her hearing worsened. The device produced a lot of feedback. The first audiologist (Respondent A) informed the Initiator that the hearing aid would last for ten years. By the third year Respondent A informed the Initiator that additional adjustments could not be made to the device. Respondent A recommended that the Initiator buy another hearing aid. The initiator received a second opinion from Respondent B (an audiologist). Respondent B provided the same information as Respondent A. The Initiator later asked to withdrawal his/her complaint.

Accordingly, the Investigative Review Group recommends closing case 2009-14.

Motion #14

Mrs. Zurlinden moved to accept the Investigation Review Group's recommendations in case 2009-14. Mr. Porter seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

2009-16

This case involves unlicensed practice by a speech-language pathologist due to failing to renew in a timely manner by December 31, 2008. The Respondent had moved and did not notify the Board of a change in address. The Respondent worked unlicensed in a school district for ten days of twenty-three (23) calendar days. He/she has since renewed his/her license and submitted the appropriate late fee. Following the late renewal a Continuing Education Audit for Late Renewal was issued to the Respondent. The Respondent fully complied with the audit and in a timely manner. The Respondent's last day of employment for the school year was Tuesday, June 9, 2009.

Accordingly, the Investigative Review Group recommends the following in case 2009-16:

1. **Issue a reprimand letter stating that due to this being the Respondent's first offence, a reprimand letter is being issued based on the following:**
 - a. **Not renewing in a timely manner by 12/31/2008.**
 - b. **Not notifying the Board of a change of address within thirty (30) days of said change.**
2. **Terms and conditions:**
 - a. **Complete an additional five hours of continuing education in the area of ethics. Proof of these five hours must be submitted to the Board office ninety days from the date of the reprimand letter.**
 - b. **Continuing education will be audited for the next renewal cycle.**

Motion #15

Mrs. Zurlinden moved to accept the Investigation Review Group's recommendations in case 2009-16. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. Dr. Kukula abstained. The motion passed uncontested.

2009-20

This case involves unlicensed practice by a speech-language pathologist due to failing to renew in a timely manner by December 31, 2008. The Respondent worked unlicensed in a school district for twenty-two (22) days of forty calendar days. He/she has since renewed his/her license and submitted the appropriate late fee. Following the late renewal a Continuing Education Audit for Late Renewal was issued to the Respondent. The Respondent fully complied with the audit and in a timely manner. The Respondent's last day of employment for the school was Wednesday, June 3, 2009 and returns to employment with the school on Monday August 24, 2009. The Respondent provided a work schedule noting days scheduled off during the 2009-2010 school year. Including weekends, the total number of scheduled calendar days off for the school year is 109.

Accordingly the Investigative Review Group recommends the following in case 2009-20:

- **Suspend for 40 full calendar days, staying half, due to this being the Respondent's first offence.**
- **Complete an additional 5 hours of continuing education in the area of ethics. Proof of these 5 hours must be submitted to the Board office ninety days from the date of today's meeting.**
- **Audit for continuing education for the next 2 renewal cycles.**

Motion #16

Ms. Embry moved to accept the Investigation Review Group's recommendations in case 2009-20. Ms. Leppla seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. Mr. Porter opposed. Dr. Kukula opposed. The motion carried 4 in favor and 2 opposed.

2009-21

This case involves unlicensed practice by a speech-language pathologist due to failing to renew in a timely manner by December 31, 2008. The Respondent worked unlicensed in

a school district for twenty-eight (28) days of sixty-eight (68) calendar days. He/she has since renewed his/her license and submitted the appropriate late fee. Following the late renewal a Continuing Education Audit for Late Renewal was issued to the Respondent. The Respondent fully complied with the audit and in a timely manner. The Respondent's last day of employment for the school was Friday, June 5, 2009 and returns to employment with the school Monday, August 17, 2009. The Respondent's supervisor submitted a letter to the Board office stating that the Respondent works part time and has a caseload of 20-30 per school year and is the only speech-language pathologist to provide services for preschool children in the district. The letter also noted that should the Respondent be suspended, it would be a huge impact to the district if the suspension were not served on the Respondent's scheduled days off for the 2009-2010 school year. The Respondent provided a work schedule noting days scheduled off during the 2009-2010 school year. Including weekends, the total number of scheduled calendar days off for the school year is one-hundred and sixty-eight (168). This is the Respondent's third consecutive late renewal. The last two renewals were submitted after the September 30th deadline. The Respondent did not practice unlicensed for the last two renewals because he/she did renew prior to December 31st.

Accordingly, the Investigation Review Group recommends the following in case 2009-21:

- **Due to this being the Respondent's first offense (no prior disciplinary action) and second offense for renewing late, suspend for sixty-eight (68) full calendar days, staying half.**
- **Complete an additional 15 hours of continuing education in the area of ethics. Proof of these 15 hours must be submitted to the Board office ninety days from the date of this meeting.**
- **Audit for continuing education for the next 3 renewal cycles.**

Motion #17

Dr. Kukula moved to accept the Investigation Review Group's recommendations in case 2009-21. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

Case 2009-22

This case involves fraud and falsification of documents and insufficient continuing education for renewal by a speech-language pathologist. The Respondent was issued a 2008 Continuing Education Random Audit. He/she attested "Yes" on the 2009-2010 renewal application that he/she would have completed twenty clock hours of continuing education, as required by Chapter 4753 of the Ohio Administrative Code (OAC), by 12/31/2008. The Board received a letter dated 3/2/2009 from the Respondent stating that although he/she continued to renew, he/she has not been practicing for 11 years and could not comply with the audit. Continuing education had not been obtained. The Respondent voluntarily returned his/her 2010 renewal card stating that he/she understood that the Board must decide their "fate". As a result, the Respondent's licensure status has been changed from Active to *Active in Renewal-Incomplete*.

Accordingly, the Investigation Review Group recommends the following for case 2009-22:

- **Issue a reprimand letter based on the fact that the Respondent checked “Yes” on the renewal application attesting to having completed continuing education hours when he/she in fact had not.**
- **Due to the fact that the Respondent no longer has an active license, the Board will acknowledge that the Respondent can no longer practice speech-language pathology in the state of Ohio.**

Motion #18

Dr. Kukula moved to accept the Investigation Review Group’s recommendations in case 2009-22. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

2009-25

This case involves failure to complete the supervised professional experience report and supervision contacts log in a timely manner by a conditional license holder working in a school. The Respondent stated that he/she had been practicing without a valid Ohio license for twelve days since the expiration of his/her conditional license which was 4/1/2009. The number of days the Respondent had practiced, under supervision, since the completion of his/her supervised professional experience on 8/8/2008 and up to 4/12/2009 was 247 (8 months and 4 days). The Respondent works for a special needs school and his/her last day of work was Friday, June 12, 2009.

At the May 1, 2009 scheduled Board Meeting the Board accepted the following Investigative Review Group recommendation, and moved to suspend, in the form of a Consent, for two months (staying half) commencing on June 13, 2009, in case 2009-25:

1. **To complete ten hours of continuing education in the area of ethics. Submit proof of those ten hours to the Board office by 12/31/2009.**
2. **To complete five hours of continuing education in the area of documentation and record keeping and submitting proof of those five hours by 12/31/2009.**
3. **To complete twenty hours of continuing education during the regular renewal cycle and submit proof by 12/31/2010.**
4. **That he/she will be audited for continuing education for the next three renewal cycles.**

The Executive Director shall issue a letter to the supervisor advising not to continue to supervise someone after their Supervised Professional Experience has ended.

The Board reviewed a redacted Consent Agreement.

Motion #19

Ms. Leppla moved to accept the signed Consent Agreement in case 2009-25. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

2009-27

This case involves a speech-language pathologist who did not comply with the 2008 Continuing Education Random Audit but did provide a written response to the Board on May 5, 2009 in a timely manner. The letter stated that he/she is in a rehabilitation facility in another state and would be discharged from the facility at the end of May 2009. After discharge the Respondent will remain in the other state for three to six more months to complete a recommended aftercare program. Due to being in treatment, the Respondent does not have access to his/her continuing education records and can not comply with the audit until he/she returns to Ohio. Recently, the Respondent called the Board office indicating that he/she may not return to Ohio at all.

Accordingly, the Investigative Review Group recommends the following in case 2009-27:

- **Contacting the Respondent and directing him/her to notify the Board if/when he/she returns to Ohio and then to comply with the continuing education audit at that time. The Respondent's name will be flagged in E-Licensing for Board monitoring.**

Motion #20

Ms. Leppla moved to accept the Investigation Review Group's recommendations in case 2009-27 including directing the Respondent to comply with the Continuing Education Audit at the time they return to Ohio. Ms. Embry seconded the motion. Dr. Ward-Gravely abstained. Dr. Levenfus abstained. The motion passed uncontested.

BOARD BUSINESS

- Dr. Ward-Gravely asked Ms. Leppla if she would be interested in being reappointed as a speech-language pathology Board member. Ms. Leppla indicated that she would be interested in being reappointed to the Board.
- Dr. Kukula and Mr. Thornton reported to the Board on their meeting with Senator Miller's legislative aide regarding the cost of hearing aids. They provided an article that many audiologists share with their patients to assist them in understanding the many factors that contribute to the costs of hearing aids.
- Dr. Kukula plans to invite Senator Ray Miller to attend to a future workshop that deals with the hidden impact of hearing loss.

MEMBER CONCERNS

- Dr. Kukula provided Mr. Thornton with the application for membership in the American Academy of Audiology. The Board discussed the possibility that all memberships in professional organizations may be eliminated if pending budget cuts are finalized.

Motion #26

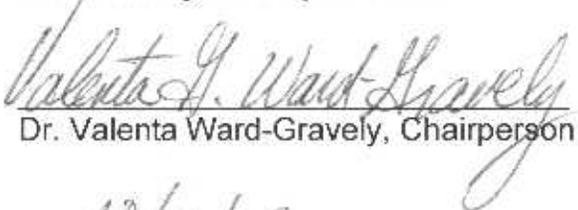

Dr. Kukula moved to authorize Mr. Thornton to submit an application to the American Academy of Audiology for individual membership. Ms. Embry seconded the motion. The motion passed unanimously.
