10 **Ohio Administrative Code section 4753-3-12 - Proposed New Rule Specifies**
11 **Procedures for Summary Suspension For Human Trafficking Conviction**

12 (A) Upon receipt of notification from a prosecutor under the provisions of Ohio Revised
13 Code section 4776.20, the board of speech-language pathology and audiology shall take
14 appropriate action to immediately suspend the licensee's license without a prior hearing.

15 (B) The board shall issue a written order of suspension by certified mail or in person in
16 accordance with section [119.07](#) of the Revised Code. The order is not subject to
17 suspension by the court during pendency of any appeal filed under section [119.12](#) of the
18 Revised Code. If the person subject to the suspension requests an adjudication by the
19 board, the date set for the adjudication shall be within fifteen business days, but not
20 earlier than seven business days, after the request, unless otherwise agreed to by both
21 the board and the person subject to the suspension.

22 (C) Any summary suspension imposed under this section shall remain in effect, unless
23 reversed on appeal, until a final adjudication order issued by the board pursuant to
24 Chapter 119. of the Revised Code becomes effective. The board shall issue its final
25 adjunctive order within sixty days after completion of its adjudication. A failure to issue
26 the order within sixty days shall result in dissolution of the summary suspension order
27 but shall not invalidate any subsequent, final adjudicative order.
